# Description of Unit (Structure/Building) Types

## Detached House

A detached building intended to house one family; sits on its own piece of land; not attached to another dwelling.

## Manufactured/Mobile Home

A detached movable or portable housing structure; at least 32 feet in length and over 8 feet in width; constructed to be towed on its own chassis and designed to be installed with or without a permanent foundation.

- May be 2 or more units fitted together to make one residence.
